## CAPTAIN'S SCRAMBLE

## Format, Scoring, Handicap Allowance

Team competition played under strokeplay rules, scored as in stableford with full handicap allowance.

## Description

Teams comprise four players.
All 4 players drive from each tee. The best drive for playing the next shot is chosen (there are no restrictions on how many drives are used for each player). From the best drive everyone then plays their own ball as if this was their drive and plays a normal game of stableford on that hole.

As in a normal stableford competition a player should "pick up" if he/she is unable to score any stableford points on a hole. That hole should be marked in the score column for that player as a - (minus).
The team points scored on a hole (to be recorded in the "POINTS" column) is the sum of the 3 best stableford scores.
The gross score must be recorded for each player under the relevant score column ( $A, B, C, D$ ) for each hole and the stableford score should also be recorded there.

Both the marker and one other team member must sign the card.
