

## HALF AND HALF

### *Format, Scoring, Handicap Allowance*

Team competition played under strokeplay rules, scored as in stableford.

HOLES	PLAYED AS	HANDICAP STROKES RECEIVED
1 to 9	Greensomes	50% of the combined playing handicaps.
10 to 18	Better Ball	Full playing handicap.

### *Course Adjustment*

If a team is "mixed", both players play the greensomes part off the men's tee's stroke indexes and PARs consequently **there is course adjustment**. If the team is of the same gender, both players play off their own tee's stroke indexes and PARs consequently **there is no course adjustment**.

### *Description*

Teams comprise two players. The first nine holes are played in Greensomes format, the last nine holes in Better-ball format (the Better-ball portion is played off the correct stroke indexes for your gender). For descriptions of each of these formats please refer to the relevant page.

As in a normal stableford competition a player should "pick up" if he/she or his/her team is unable to score any stableford points on a hole. That hole should be marked in the relevant score column(s) as a – (minus).

Mark the scorecard as follows:

- **for the front nine holes (1 to 9) you must record the gross score for the team** in "Score" column A for each hole;
- **for the back nine holes (10 to 18) you must record the gross score for each player** in the respective "Score" column and the stableford score should also be recorded there;
- **for each hole you should record the team's stableford score** in the "Points" column.

**Both the marker and one of the players from the relevant team must sign the card.**

*(Example scorecard follows - for a fuller explanation see the description in the folder in the Pro shop)*
