3 COVID:

Further to discussion at the committee meeting, we would request that any member testing positive to please withdraw from any members competitions to protect other members of the club. We understand that this is not a legal requirement but ask that you use common sense in protecting others. We would request that spouses/partners also withdraw from competitions until the positive member has had 2 negative rapid tests and also that spouse/partner also has negative rapid test. We thank you all for your understanding as we have an ageing membership and we must try to maintain their safety. 8 Financial Matters:

- The Financial Accounts were reviewed and approved.

9 A.O.B.:

- (GN) advised that it has been raised by a member that a democratic decision was not made following the recent survey on how to deal with a rollover on the result of no 2's being achieved on the day of a 2's competition. In addition some members have also expressed that they appeared to have voted for the wrong way forward as it was a Yes/No vote and now realise what they voted for the wrong thing. The committee therefore think the way forward is to have a new vote where the decision you vote for is clarified (not Yes/No but Rollover/Charity) and that the winning decision will be the one with most votes. GN will issue new clear details of the Vote for members to respond.
- (CduCC) confirmed that all menu's in the restaurant have been updated however (CduCC) is meeting Mr Stelios, Resort Manager to discuss the update of the 19th Hole Menu.
