#### **Social Media.**

. Our Facebook Page "Minthis Golf Club Member's" is going from strength to strength. We now have 108 followers, being members of your family with a couple of past members and businesses who support the club. Feedback is you like the page and it's great to see more people getting involved in our community. It's very user friendly and easy to post information on the page from our phones and iPads. For those who don't use social media, competition and social information will always be emailed and available on the website, this can be slower as it is a older system only accessible via a laptop.

The group is private, and you can join by following the link & answering the membership questions:

<https://www.facebook.com/groups/2248892198594107/>

If you would like to join but need some help Peter is available to help.

#### **Medal prizes**

. After discussing with many members and with the committee, these have been well received by all the members this month. Next month we will use the ice cubes but after this we will go ahead with the lovely coasters. Archie has produced some even better pictures and listening to the feedback they could well be a collector's item. I can arrange for these to be purchased with just Minthis Golf Club on if any members are interested.

If anyone doesn't want one, it will be no problem buying back into stock at face value as we are sure lots of us would like a full set.

#### **Sponsorship.**

. James has done an amazing job in arranging around Euros 2,750 in sponsorship for both the Summer and Charity Opens. James, you're a star. James also has this in the pipeline for other events and for the following years. A big thank you from us all.

#### **. Next Steps.**

- . PH,JM,Review with Adam how to use the funds, competition formats and discuss the Charity Open.
- . More information on prizes& formats to follow.

### **Blevin Frank's Review.**

- . This was one of the biggest turnouts we have seen for a long time. A big thank you to all the members and guests. We are delighted to let you know that we raised 320 euros for the CGF earthquake appeal and Peter plans to present this to Nick Rossides at The Noom event on 28 th May at Secret Valley.
- . We had feedback from all the guests who felt welcome, enjoyed the day and complimented the team on the course. Well Done Chris Furneaux & Team. Thank you, Adam, for giving members the opportunity to invite guests.

### **. Next steps.**

- . Review with Adam invitationals, how to line up guests for future events.
- . PH Arrange presentation with the CGF, find a big Cheque...

### **Bar update.**

- Peter had another meeting with Stelios and Adam last week regarding the bar service and interclub meals.
- Stelios is disappointed that they have not been able to open the sports bar 100% purely down to the difficulties in recruitment and the balance in opening the other restaurants. Once the other restaurant is open the clubhouse hours will change and resources for the sports bar will become available. It is still a company plan to open it fully from around 11- 4.
- Feedback was given on the interclub meal and price, let's hope for hot chips etc next time.
- More furniture has been put outside to give us other options in the summer.
- Adam is reviewing with the team a new cabinet for trophies and more pictures to try and create an improved ambience.
- The bar will be fully operational on competition days, and we hope you recognize that the staff we have on these days do a great job. Please pass on your thanks to them and make Pantalisa and the other ladies part of our team.
- Through Peters tenacity and continued feedback, the phone has been fixed so when the bar is ,not staffed there is no reason that we cannot contact upstairs for service.

### **. Next Step.**

- . If you don't get the service, you expect please ask for a manager or contact the resort managers directly to share your experience.

### **Vice Captain**

James has been fab as our Vice Captain but unfortunately is not in a position where he can take on the captain's role next year. James's is disappointed, but with business priorities changing he needs to spend more time away from home. It would be difficult to give the time he wanted to at this time. We all know James gives 110 % and will continue to help this year and be there to support in the future especially with the sponsorship which is just amazing. Thank you from all the committee and we know you'll be back.

### **The committee volunteers.**

- . The committee give their time to help run the golf competitions and social events (I'm sure some think we run it all). We try very hard and if things don't add up, we do change things.
- The things we work on, or try to improve, cannot always be shared on emails so please come and have a chat. Email is great for competition entries, results, social info but nothing beats the personal touch. If you need any help, or advice, have an issue you would like to discuss, or would like to know more about future plans, Peter gives up his time most Mondays around 12.30 – 2.00 and is available for a chat or a brew as he says. Peter is always available after competitions as well as most other committee members.
- Emails take time, and can impinge on our personal lives, responses can lose the bigger picture, so please do come for a chat. It's much more fun and is the team's preferred method of communication.
- We have had a vacancy all year and would love some more help. We would also like to talk to members who can help now and are prepared to take on other roles in the future. If you can help, please see any of the team or pop up on a Monday.
